BOOKING TERMS & CONDITIONS

For your enjoyment and safety, please abide by the following terms and conditions of booking:

1. **BOOKINGS:** Please notify us within 24 hours of any change in numbers to your booking. On the day, bookings will be charged for the number of people pre-booked on booking sheet (this is as bookings are made on per person basis and time allowance is made each lane for each person).
2. **EXTRAS:** Please notify us as soon as possible to confirm availability as we cannot guarantee extras turning up on the day will be able to play due to bookings being taken on a per person basis only.
3. **ARRIVAL:** Please arrive a minimum of 15 minutes prior to bowling or sport start time (the time you will start bowling or playing sport). This allows time for shoes (tenpin bowling) and basic safety rules to be explained prior to your game(s) commencing. Please fax before or bring list of individual names (put into teams if you prefer) to avoid extra delays.
4. **HOUSE SHOES** – must be worn in bowling area. Own shoes must not be taken to lanes and left in office. Spectators must also remove own shoes and wear bowling shoes (\$2 shoe hire-free where assisting special needs requirements) or wear socks (must not go on lanes).
5. **SMOKE FREE:** – Action Indoor Sports is completely smoke-free, this includes outdoor areas and car parks. Smokers must go outside the front entrance gate.
6. **INJURY:** – to avoid injury we ask that people do a few minutes of basic warm-ups to suit each individual (i.e. lunges, shoulder rolls, backward and forward arm movements and stretches).
7. **FIRST-AID:** – a full first aid kit and hot/cold packs are available on site at office. All injuries should be reported. In the event of an emergency please follow the instructions of the designated Duty Manager and/or Fire Warden.
8. **HOST RESPONSIBILITY POLICY** – a host responsibility policy is in place. Minors and intoxicated patrons will not be served alcohol. Please do not be offended if I.D. is requested by our bar staff.
9. **DRINKS** are allowed in the bowling alley but at all times must be kept off the approach and lane areas. **FOOD** is not permitted in the bowling alley or sports courts at any time. There are many reasons for this but mainly for safety and hygiene (food on fingers is easily transferred to bowling balls). Bowlers may leave the area however to eat/drink in the café/bar area during their game as long as they continue to bowl when it is their turn to avoid time delays.
10. **HAND SANITISER** is available for use of all patrons before and after bowling.
11. **HOUSE RULES** – are behind each set of lanes. Whilst our staff will take you through the basic safety rules, for your own benefit, please read these.
12. **SLOW** bowling may result in your game not finishing at allocated time. Our staff will inform you if any of your lanes are going particularly slow to avoid this situation.
13. Any form of abuse will not be tolerated including physical and verbal. We are a family entertainment Centre and ask all patrons to behave appropriately at all times. We reserve the right to ask any person at anytime to leave the Centre.

Smoking and BYO Alcohol is NOT permitted anywhere on the premises.
